## Sea Island Gray Green

Smooth and very uniform in texture, this is a non-fading gray/green stone that weathers very little, if any. The unique smooth texture creates a neat and clean design on the roof not available in any other stone. Imported from Brazil over the past two decades, it has proven to be a very popular product on modern home and commercial designs.

Property	Value	ASTM Test Method	ASTM Grade
Modulus of Rupture	611 lbs. at 0.253 in	C-120 - 06	S1
Absorption	0.163 %	C-121-06	S1
Weather Resistance	.0019 in.	C-217 - 94	S1

*Timeless Natural Beauty & Unparalleled Durability to last a Lifetime*
